

Spread your wings in Podkarpackie

Podkarpackie Region is situated in south-eastern Poland and borders with Slovakia and Ukraine. The region is an important place on the map of Europe with modern industry, tourism, recreation and leisure which are its strengths. Industry is dominated by local pride – aviation with the Aviation Valley Association that accounts for 90 % of the national aerospace industry.

Magnet for investors

An important factor contributing to the attractiveness of the region is the concentration of innovative companies, favorable conditions for investors and special designated areas. Preferential conditions for conducting business activities are offered by Special Economic Zones which provide tax exemptions and offer fully equipped greenfield areas, as well as comprehensive

assistance for new investments in the Region. Very important advantage of the region is the presence of different universities in Podkarpackie such as University of Rzeszów, Rzeszów University of Technology, University of Information Technology and Management aiming to develop their students into well-skilled employees.

Podkarpackie Science and Technology Park AEROPOLIS is at present one of the most attractive investment areas in south-eastern Poland. AEROPOLIS consists of three zones: S1, S2 and S1-3. Zones S1 and S2 are fully occupied, but entrepreneurs can still take advantage of completely equipped plots within the S1-3 zone.

Zone S1-3 is the area of 48 ha located next to the „Rzeszów-Jasionka” International

Airport and the existing Zone S1. The area is entirely incorporated into Special Economic Zone EURO-PARK Mielec.
